ENHANCING YOUR LIFESTYLE

VALUE YOUR **TIME**

Make the best use of your most precious asset - your time - it's one thing that money can't buy. With your busy lifestyle you need to create your own itinerary without frustrating commercial schedules or irritating delays. With time on your side you can achieve your objectives and maximise your time with the people who are most important to you.

VALUE YOUR **MONEY**

Imagine being able to enjoy that perfect trip without the ongoing responsibility and substantial overheads associated with ownership. Also, without the inevitable compromises such as: Which aircraft meets all your needs? Sailboat or powerboat? Sports car or limousine? Now there is no need to make a choice - with Ad Astra you can have it all without tying up your capital. Ad Astra's clear pricing policy ensures no surprises and no long term commitment.

VALUE OUR **SERVICE**

Our specialist travel management consultants are focussed on providing you with the highest quality service to meet your exacting requirements. They pay particular care and attention to every aspect of your journey. We fully understand our clients preferences, ensuring that you receive exactly what you want with the minimum of fuss. You can also be secure in the knowledge that you control who travels with you and who knows your itinerary.
