"Wherever you want to go, we'll C U there!"

...in Paradise ...

Picture Yourself...

...*Basking* in the sun aboard a luxury yacht. Hearing only the sounds of the gentle breeze, sea birds, and the Caribbean Sea as its' waves lap gently against the hull. Your Chief Stewardess, intuitively, appears with a fresh pineapple and coconut concoction to quench your thirst.

Your Chef is below creating a meal fit for a King, using local flavors, only the finest ingredients, catering specifically to the preferences of yourself and your guests. There's little reason to ever leave the yacht, as you have everything you want right at your fingertips.

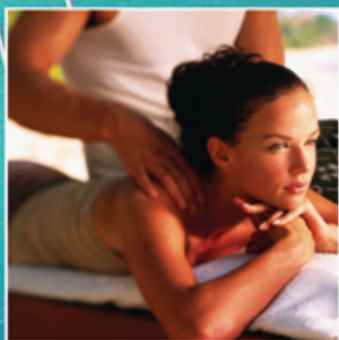

Your First Mate has rigged the dinghy for sailing, put the jet skis in the water, and has the scuba tanks in the tender. It would be a shame not to spend a little time in the water, no? Perhaps today you'll go hiking to find the perfect waterfall where you'll have a picnic tomorrow? Or maybe just go ashore for a few souvenirs to bring back?

Maybe later...

For now, just relax, feel the breeze, listen to the waves, and sip on your fruity concoction...

...on a Luxury Yacht...

It's the crew that makes the charter!

Crew Unlimited, the parent company of C U Yacht Charters, has specialized in the placement of crew aboard luxury yachts since 1983.

We fully comprehend the importance the crew plays in making your charter spectacular!

While most charter brokers focus on the yacht alone, we make it our personal responsibility to go a step further by really getting to know our crew, their personalities, their abilities, and their specialties.

With a little input from you, we will be happy to show you the difference our inside knowledge can make on your next charter!
