- Dalmatia Charter is a charter company with soul and style situated in the center of Adriatic (base Trogir and base Primosten) - the best starting point for your sailing holidays. Here you will find various models, ranging from small to luxury sailing yachts.
- After very successful season I proudly highlight that we are a first company which received a “4 Star Quality” license that guarantees top quality. For the safety of our clients, we are from the very beginning on the Yacht Pool partner list and we also have a Pantaenius certificate.

Best base in the Mediterranean 2010 & 2011

- Based on new Euminia evaluation system which measures customers' satisfaction, Dalmatia Charter is, already second year in a row, the #1 charter company on Adriatic coast. Proof is on www.euminia.com
- In the season ahead of us, we will, like always, do everything to make our clients satisfied. We will prove that old boats can be as good as new ones
